### GOMPERS IN COURT.

Enters Protest Against Delay in Injunction Proceedings.

Washington, Sept. 10.—The contempt case against the officers of the American Federation of Labor, Samuel Gompers, John Mitchell and Frank Morrison, was continued yesterday and thirty days were given to each side, sixty days in all, to take testimony. This will carry the case over until after the election. The three respondents were in court and all the members of the executive council of the American Federation, who had been enjoined by the original injunction.

Judge Alton B. Parker of New York, and Ralston & Siddons, attorneys for the labor leaders, protested against the postponement and announced their readiness for trial.

Daniel Havenport of Bridgeport, Conn., and W. C. Sullivan, attorneys for the Bucks Store & Range company, the petitioners, raised the point that certain issues of fact had been raised by the return made by the respondents, especially as to John Mitchell, and asked for time in which to take testimony.

Justice Goulet, who presided, in granting the postponement, said he had not read the petition or the returns and was not prepared to go on with the case.

### BERTHE CLAICHE PARDONED.

Woman Who Shot and Killed Gendron in New York in 1906 Freed.

Auburn, N. Y., Sept. 10.—Berthe Claiche, chief figure in one of New York's recent notable murder cases, was one of six convicts in Auburn prison whose application for liberty were favorably acted upon yesterday by the prison parole board at its meeting in this city. Berthe Claiche was convicted of the shooting, June 6, 1906, of Emile Gendron in New York City, and sentenced to serve an indeterminate term in the woman's prison in this city.

A great deal of sympathy was manifested for the young French woman at the time of her trial, although the evidence showed the murder to have been a deliberate one. Her story that Gendron had forced her to go upon the street and barter her womanhood to support him secured for her a large amount of consideration. A good home has been found for her with reputable people, who will seek to give her every possible advantage for molding her life along new lines.

**E. H. HARRIMAN TO SEE HIS COUSIN WED MISS RUSSELL.**

Boston, Mass., Sept. 10.—Robert M. Neilson, a cousin of E. H. Harriman, and Miss Sarah E. Russell of 39 Sparks street, Cambridge, will be married at Christ church on Oct. 6 and the railroad financier is coming on for the ceremony.

Mr. Neilson is a lawyer in New York City and a graduate of Rutgers, '03, and of the Harvard Law school two years ago. He is a son of Henry Neilson of New Jersey. The bride to be is the daughter of wealthy Joseph B. Russell, treasurer of the Boston Wharf company, and is a niece of the late Governor William E. Russell. The ceremony will be the prominent event of the season in Boston society.

### COURT TAKES RECESS.

Verdict in Orleans County Case of Richardson vs. Baker & Sons.

Newport, Sept. 10.—The jury in the case of H. E. Richardson vs. Luther Baker & Sons returned a verdict in Orleans county court in favor of the plaintiff to recover the sum of \$211 and costs. Immediately upon receiving the verdict court took an adjournment until Monday, September 14, when it is expected that Judge George M. Powers will come to try the case of Clancy Drown vs. the New England Telephone & Telegraph Co. and the Consolidated Lighting Co. This case comes from the supreme court having been tried in Orleans county court last fall and returned by the supreme court on errors.

### ATTEMPTS TO KILL THREE.

Victims of Wilmington, Del., Man Ate Dying.

Wilmington, Del., Sept. 10.—Pearson Talley, aged sixty years, while temporarily insane, attacked his wife in bed yesterday morning, splitting her skull with a broad axe; then he attacked his adopted daughter, splitting her head open also, and fractured the skull of her husband, Andrew Johansen. The three victims are in a hospital in a dying condition, and Talley is under arrest.

### LONG HIKE OVER.

Officers From Fort Ethan Allen Complete Their Ride.

Grand Isle, Vt., Sept. 10.—Having covered 60 miles in the past two days, the fifteen officers ranked above the grade of captain yesterday concluded the prescribed test ride of three days, with an installment of 30 miles. The start was made from the temporary camp located here and their hike, as mapped out by the board of engineers, led them over various uneven roads connecting with the thoroughfare to the post at Ethan Allen, from which place the first day's march was begun. Immediately upon arriving at the post, it was one of the provisions of the test ride that the participants report to a board of medical officers for examination as to their physical condition. It was not expected that any of the officers would show strains or other marks of their 90 mile ride sufficient to render them unfit for future service.

Wednesday, August 19, about 110 McLams and descendants of McLams, with their families from the children of a few months to the age of 70 years, gathered at "Fairview," the home of Mr. and Mrs. William T. McLam, in Groton to renew old acquaintances and form new ones.

The passengers on a Central Vermont train a few days ago saw a herd of four deer near the big curve north of Northfield Falls. There were three does and a buck, feeding on the edge of a corn field. They seemed little disturbed by the train. Other reports indicate at least as many deer as usual this season.

Mrs. Joseph Doherty of Winooski, aged about 55 years, drank carbolic acid Sunday morning with evident suicidal intent. Dr. J. G. Thibault was called to the woman's home and succeeded in saving her life. F. H. Wallace has resigned as principal of the Bristol graded school to take a position as inspector of customs, either at Ogdensburg or Morrisville. The Bristol school directors have engaged B. E. Hicks of Hamilton, N. Y., as principal. Mr. Hicks has had twenty years' experience as a teacher, is a normal school graduate, and been three years in college.

The post office at Winooski was entered Friday night and the money drawer rifled of a small amount of change. A door leading to the cellar was forced against a halfway in the rear of the building. Change to the amount of \$149 had been left in the drawer and this with one letter found opened was all that was tampered with.

The work of the manual training school at the high school building in Woodstock, which closed with an exhibition of the work of the pupils, has been in the charge of Herbert Wallace of New York, this season. Fully one hundred pupils were registered and the exhibits attested the efficiency of the instructor and the zeal and earnestness of the young workmen.

The proposition that the name of the railroad station at Barton Landing should be changed at the request of the railroad commissioners of Vermont has awakened much interest in that community. The railroad management suggests that it be called "Chandler" the E. L. Chandler Co., being the largest manufacturing company there. Others think it should be named "Riverside," and some suggest "The Landing."

### DISCRIMINATING LADIES.

Enjoy Using Herpelide on Account of Its Distinctiveness.

"The ladies who have used Newbro's Herpelide speak of it in the highest terms, for its quick effect in cleansing the scalp of dandruff and also for its excellence as a general hair-dressing. It makes the scalp feel fresh and it always that itching which dandruff will cause. Newbro's Herpelide effectively cures itching, as it destroys the germ that causes it. The same germ causes hair to fall out, and later baldness; in killing it, Herpelide stops falling hair and prevents baldness. It is also an ideal hair dressing, for it lends an aristocratic charm to the hair that is quite distinctive. Sold by leading druggists. Send 10c. in stamps for sample to The Herpelide Co., Dept. 1011-10.

Two sizes—25 cents and \$1.00. E. A. Drown, Special Agent.

An illness of nearly two years. For about a year his condition had been very serious and Mr. Tyler showed remarkable vitality. He was 88 years old and was a veteran railroad man. He had been associated with the Masonic fraternity for 35 years, a record the like of which no other Rutland Mason could probably claim. Shulster Tyler was born at Hadley, Que., November 5, 1830. He learned the blacksmith trade and at the age of 22 years came to Vermont and entered the employ of the Central Vermont railroad at their Northfield shops. Some years later he was made foreman of the shops of the Burlington and Rutland railroads in Rutland and he had held this position until failing health made it necessary for him to retire 25 years later.

Mr. Tyler became associated with the Masonic fraternity 55 years ago at Northfield and at the time of his death he was a member of Rutland lodge, F. and A. M. He was for 40 years a member of Washington Steamer company of Rutland. He had been a member of the Universalist church in Rutland since its organization. Mr. Tyler was married in 1849 to Miss Laura A. Young of Manchester, N. H. He is survived by his wife, a daughter, Mrs. Rosecoe Norwood of Worcester, Mass., and one brother, Frederick Tyler of Superior, Wis. The funeral will be held at the Masonic temple Friday afternoon at 2:30 o'clock.
